

David Watson

Landscape Architect

Personal Details

Name David Watson BSc DipLA CMLI
Date of Birth 5th March 1962
Nationality British
Location North Hampshire, UK

Experience

I have a wide range of experience in landscape professional practice, education and web design. I am a chartered landscape architect, specialising in visual impact assessment. I also teach landscape architecture and web design at undergraduate and post graduate levels.

2000 to Present - Webmaster at CADTutor.net

Designer, developer, content provider, editor and administrator of the CADTutor.net website. Design and development of various other websites using web standards.

1995 to Present - Freelance Chartered Landscape Architect

IT and CAD Consultancy, technical VIA work: Verified Photomontage and ZVI Analysis. See VIA Experience for project and client details.

1995 to Present - Senior Lecturer at the University of Greenwich

Senior Lecturer (fractional). Development and delivery of landscape digital design teaching within the BA(Hons), MA and Diploma Landscape Architecture programmes. Programme leader, MA Web Design and Content Planning.

1999 to 2001 - Senior Lecturer at Kingston University (London)

Senior Lecturer (part-time). Development and delivery of landscape digital design teaching on the BA(Hons) and Diploma Landscape Architecture programmes.

1994 to 1995 - RPS Clouston (Abingdon)

Co-ordination of practice CAD strategies. Implementation of computer techniques on a number of major environmental impact projects. Staff training.

1990 to 1994 - Derek Lovejoy Partnership (London)

Co-ordination and management of numerous landscape planning and design projects using computer aided design tools. Development of in-house software for creation and automatic scheduling of softworks contract drawings. Formulation of computer strategies. Staff training.

1985 to 1990 - Travers Morgan Landscape (London)

A wide range of landscape planning and design projects, many with an information technology bias. Co-development of in-house software for visual impact assessment.

Qualifications

1993 Landscape Institute Part IV
1991 Dip L.A. Birmingham Polytechnic (part-time)
1984 B.Sc. (Hons) Geography, University College of Wales, Aberystwyth
